INVESTMENT & SPONSORSHIP OPPORTUNITIES

WHY INVEST IN YOUR LOCAL CHAMBER OF COMMERCE?

The goal of any Chamber is to assist local businesses in furthering their interests to build a healthier economy. Our primary function is to convene, communicate, and connect. The Manistee Area Chamber of Commerce has four main priorities: Business & Legislative Advocacy, Economic & Workforce Development, Leadership & Professional Development, and Downtown Revitalization.

Investment in the Chamber of Commerce supports our efforts in all areas, which benefit every business and the overall community

ADVOCACY BENEFITS EVERY MANISTEE COUNTY BUSINESS!

Advocacy is one of the most important reasons to invest in your local Chamber. The Manistee Area Chamber of Commerce is part of the Northern Michigan Chamber Alliance which includes 17 other Chambers of Commerce and Economic Development Organizations. Collectively we work with one voice to advocate on policies and issues that impact our businesses in our rural northern Michigan community.

ECONOMIC DEVELOPMENT PROMOTES GROWTH AND REVITALIZATION OF OUR AREA

The Chamber is uniquely positioned as a leader in the state for its public-private partnership approach to economic development in Manistee County. Economic Development is critical for a community to thrive, it allows citizens to have employment opportunities, and local government to be able to generate revenue and provide services. The Chamber's economic development efforts promote investment in the community as well as retain and grow jobs.

LEADERSHIP IS KEY TO ADDRESS CHALLENGES

The Chamber knows that leadership within the community is important to address the challenges and opportunities facing us. Effective leadership is about facilitating and enabling people to act. Constructive social action, community renewal, and community development rely on leaders from all spheres and levels of the community.

DOWNTOWN DEVELOPMENT AUTHORITY (DDA)

Acting as the Manistee DDA, the Chamber recognizes the downtown is the commercial core of a community that serves as its social and economic center. It is an important catalyst that will help the success of all our county businesses and communities.

SUPPORT, NETWORKING, CONNECTING & VISIBILITY ARE ALL IMPORTANT PIECES TO ENSURE SUCCESSFUL BUSINESS
