

Workers' Compensation Group

Benefit Accident Fund Insurance Company of America and the Michigan West Coast Chamber of Commerce have partnered to bring this Group Program exclusively to Chamber members in good standing.

Member Benefit That Pays You Back

Workers' compensation insurance is just one of many expenses that employers have to consider. You can make it a smaller part of your budget by joining a group program. Accident Fund's historical dividend percentages range from 5-13% based on each member's workers' compensation premium costs and can range from \$30 to over \$25,000 depending on your premium.
